

MEASURE YOUR PROFITS BY THE ICY COLD GLASSFUL.

Model M167

 **STOELTING®**

Are you realizing up to a 75% profit on every frozen drink you sell? You can with a Mirage frozen beverage machine by Stoelting. Locate your unit for self serve or behind the counter to turn out fancy frozen cocktails, specialty espresso, incredible sorbet and granita. The drink options are endless.

Mirage

CHOOSE THE SMOOTHEST MACHINE FOR YOUR BUSINESS.

The Mirage has advantages you'll appreciate and quality you'll recognize, because it's from Stoelting – a leader in the manufacturing and distribution of frozen beverage machines. The Mirage is ideal for delis, snack bars, restaurants, bars, golf courses, schools, hospital cafeterias, convenience stores and anywhere else frozen drinks are sold. And you know it's a quality machine, because the Mirage is built to last longer and is easier to clean than any other frozen beverage machine.

Its features include:

- Large, 3-gallon clear bowl
- Concealed night thermostat
- 115V plug-in
- Lighted cover
- Easiest slush machine to clean
- Self-closing spigots
- Adaptable to auto-fill systems

Warranty:

- Two-year warranty on compressor
- One-year warranty on original non-wear parts
- 90-days labor
